

Looking to do some math after hours?

Who are we? We are you!

**And a chapter of the national
Math Teachers' Circle Network**

<http://www.mathteacherscircle.org/>

Please email "chicagomathteacherscircle@gmail.com" or visit our website
<http://gauss.math.luc.edu/mtc/> for more information.

Our aim is to engage teachers in interesting mathematics and help them hone their own problem solving skills. Come join us!! Develop habits of a mathematician, and experience problem solving. This is not just another professional development focusing directly on what will be done in the classroom.

When & Where: March 31st 4:30-7:00 @ Loyola University

5th-8th grade math teachers, are you interested?
